Teaching Hospital

RVS Institute of Medical Sciences & Research Centre

RVS Hospital and Research foundation is a 350 bedded multi-specialty hospital. The medical Centre was founded as a teaching hospital of "RVS INSTITUTE OF MEDICAL SCIENCES" in 2013 with the intention of translating the experience and expertise in medical education into tangible and affordable health care to the community. Our mission is to provide sustained leadership in scientific investigation, patient care, and in training leaders of our specialty in an environment that fosters creativity and synergy. The RVS Hospital is managed by qualified and experienced physicians with the help of resident doctors, both the inpatient and outpatient department and also emergency and critical cases on call as and when required round the clock. We utilize the state of the art technology and modern life saving equipment's for the betterment of the patients. Facilities for emergency X-rays, investigation facilities i.e. ECG, laboratory services, USG etc. are available. We Provides expert anesthesia care for the full spectrum of medical and surgical indications seen at a major tertiary care.
