1. Chairman for Favour of information
2. Principal
3. Circulation to all Staff members

Objective of the Programme:

Digital literacy means having the skills you need to live, learn, and work in a society where communication and access to information is increasingly through digital technologies like internet platforms, social media, and mobile devices. Developing your critical thinking skills. When students use powerful content-creation tools like Adobe Creative Cloud for their assignments and projects, they engage more deeply with the content, which helps them better understand information and communicate their knowledge in visually and digitally compelling ways.

About the Institute

Sri Venkateswara College of Nursing was started in the year 1982 with the ambience of providing Nursing education to the poor and under privileged. The Motto of the College is to provide excellent education and expertise skills in Nursing Practice. The College has been sanctioned by the AP State Government, approved by AP Nursing Council and Recognized by Indian Nursing Council, New Delhi. It is affiliated by Dr. NTR University of Health Sciences, Vijayawada. This institute is promoted by Srinivasa Educational Academy under the watchful eyes of Dr. Ravuri Venkataswamy, the Group has group of selfless, dedicated and hardworking people whose endeavor in providing and establishing good professional education to the students has been a relentless effort on their part. The Institute has got adequate buildings and other infrastructure facilities located very near to the temple city.

The ANM & GNM Courses was started in the year 1982 and 1983 respectively where as the B.Sc Nursing was started in the year 2002 in Chittoor, Tirupati and Hyderabad. Till Now ANM – 1080 Students, GNM – 1960 Students and B.Sc. – 812 Students has passed out from the Institute. The Nursing students studied in the institution are employed all around India and also in abroad. The students studied in these Nursing institutions are working in institution like CMC-Vellore, Apollo Hospital-Chennai and in so many prestigious hospi-

We are competing with other world class institutions by providing excellent upto date knowledge to the students by highly qualified faculty. Good clinical experience with well equipped laboratories and in District head quarters Hospital.

The college is permitted by INC, New Delhi, AP Nursing Council, Hyderabad and affiliated to Dr. NTR University of Health Sciences, Vijayawada. The College has experienced faculty for paving way for best academic and clinical performance of the students.

We have our parent hospital by name RVS Hospitals & Research Foundation. It is Multi Specialty Hospital which consists of 450 beds with well equipped departments.

Topics covered

- Independent research.
- Familiarity with terms and common platforms.
- Collaboration.
- Adapting to new technology.
- Teaching or explaining technologies you use

Outcome of the Programme

With digital literacy skills, students can move beyond a process-oriented understanding of technology and apply digital resources creatively in their original work. These skills build upon the traditional concept of literacy and support students in using critical thinking skills. Becoming digitally literate means that students develop technological skills, learn authorship rules, such as copyright and plagiarism, understand how to access online information and learn social responsibility while interacting on social networks.
