Copy to:

1. Chairman for Favour of information
2. Principal
3. Circulation to all Staff members

Objective of the Programme:-

Micro-teaching is a teacher training and faculty development technique whereby the teacher reviews a recording of a teaching session. It employs real teaching situation for developing skills and helps to get deeper knowledge regarding the art of teaching. Some common examples of microteaching include giving a mini-lesson on a specific topic, teaching a short section of a larger lesson, or demonstrating a new technique.
