Copy to:

1. Chairman for Favour of information
2. Principal
3. Circulation to all Staff members

Objective of the Programme:-

Material management is concerned with providing the drugs, supplies and equipment needed by health personnel to deliver health services. The right drugs, supplies and equipment must be at the right place, at the right time and in the right quantity in order that health personnel deliver health services. Material management is the process of planning, organising, directing and controlling the flow of materials within an organisation. In the manufacturing field, material managers perform a vital role in purchasing, obtaining and maintaining raw materials to use in production processes.

About the Institute:-

Sri Venkateswara College of Nursing was started in the year 1982 with the ambience of providing Nursing education to the poor and under privileged. The Motto of the College is to provide excellent education and expertise skills in Nursing Practice. The College has been sanctioned by the AP State Government, approved by AP Nursing Council and Recognized by Indian Nursing Council, New Delhi. It is affiliated by Dr. NTR University of Health Sciences, Vijayawada. This institute is promoted by Srinivasa Educational Academy under the watchful eyes of Dr. Ravuri Venkataswamy, the Group has group of selfless, dedicated and hardworking people whose endeavor in providing and establishing good professional education to the students has been a relentless effort on their part. The Institute has got adequate buildings and other infrastructure facilities located very near to the temple city.

The ANM & GNM Courses was started in the year 1982 and 1983 respectively where as the B.Sc Nursing was started in the year 2002 in Chittoor, Tirupati and Hyderabad. Till Now ANM – 1080 Students, GNM – 1960 Students and B.Sc. – 812 Students has passed out from the Institute. The Nursing students studied in the institution are employed all around India and also in abroad. The students studied in these Nursing institutions are working in institution like CMC-Vellore, Apollo Hospital-Chennai and in so many prestigious hospi-

We are competing with other world class institutions by providing excellent upto date knowledge to the students by highly qualified faculty. Good clinical experience with well equipped laboratories and in District head quarters Hospital.

The college is permitted by INC, New Delhi, AP Nursing Council, Hyderabad and affiliated to Dr. NTR University of Health Sciences, Vijayawada. The College has experienced faculty for paving way for best academic and clinical performance of the students.

We have our parent hospital by name RVS Hospitals & Research Foundation. It is Multi Specialty Hospital which consists of 450 beds with well equipped departments.

Route Map:-

College:-

Topics covered:-

- Material Requirements Planning.
- Purchasing.
- Inventory Control.
- Material Supply Management.
- Quality Control.

Outcome of the Programme:-

Particularly in a Hospital, Materials Management Department plays a significant role in the unhindered and proficient function of it. It means the supervision of materials like Planning, Purchasing, Store & Inventory Control, Care and Preservation, Issue of materials, Accounting and Disposal of scrap. The goal of materials management is to provide an unbroken chain of components for production to manufacture goods on time for customers. The materials department is charged with releasing materials to a supply base, ensuring that the materials are delivered on time to the company using the correct carrier.
