

quality of care and patient safety procedures

RVS Institute of Medical Sciences is a parent hospital, District Head Quarters Hospital ,Chittoor and S.V.R.R.G.G.Hospital,Tirupathi to which Sri Venkateswara College of Nursing is attached for the clinical practice .The quality care practiced at the hospital are taught to the students through practical sessions during clinical postings. The key indicators of the outcome in terms of recovery, restoration of function and survival are highlighted. They are sensitized about first aid, universal precautions to prevent infection, BLS, ACLS and biomedical waste disposal. Students are given adequate knowledge about the following guidelines for ensuring the safety of patients, their families' staff and visitors at the hospital. Standard precautions in ICU, OT, General wards Disinfection and sterilization Bio-medical waste management Rational use of medications Prevention of hospital-acquired infections Prevention of medication error Adverse drug reaction Prevention of needle stick injuries. Care of patients in ICU, Obstetrics, Pediatric, OT and Surgical wards. Patient safety devices- Grab bars, Bed- rails, Sign postings, Safety belts on stretchers and wheelchairs, Alarms, Warning signs, call bells, fire safety devices. Theoretical classes on the above topics are covered as per the statutory norms and clinical postings on a rotation basis enrich the student's practical experience in the respective field. Skill labs provide an excellent environment for the students for training through models, manikins and video clippings. The students are given the opportunity to practice the procedure repeatedly till he or she gains perfection. Students in the clinical area are regularly supervised by the faculty members at a 1:10 ratio and their adherence to the policy guidelines on patient safety and quality of care are ensured. All the students are delivering the nursing care under the supervision of faculty members. Each student I assigned to the patient to give individual care through the nursing

**SRI VENKATESWARA
COLLEGE OF NURSING**
Code : SVCC

SVCON

Recognized by Govt. A.P., and APNMC, Vijayawada
Accredited with 'A' Grade by NAAC, Bengaluru
Approved by Indian Nursing Council, New Delhi
Affiliated to Dr. N.T.R University of Health Sciences, Vijayawada.

process approach, incorporating ethical principles which are continuously monitored and evaluated by the faculty members. Student clinical experiences are enriched with appropriate patient assignments for nursing care study and case presentation through the nursing process approach. It helps the student to acquire knowledge about the condition of the patient and to apply the theoretical knowledge to practice with a positive attitude. The faculty members monitor, guide and evaluate the student's performance and ensure the delivery of quality care to the patients. Students are trained to recognize the aspects of quality care to the patients and motivated to update their knowledge and practice which assures patient safety with ethical moral values.
