

8.1.6: College Facilities were utilized by students from other Institutions for administrative/ educational visits and critical evaluation.

The institute seeks to enhance students and faculty integration and appreciation of different socioeconomic groups. The institution gives concession in fees for the deserving students Establishing a strong grounding in human values and ethics , making the students aware of the need to contribute to the local society Visit nearby old age homes to enhance voluntary activities Participation in community-oriented and rural development programs to enhance interaction with and aid to the local population Reaching out to the local population as part of the health awareness /education programmes to build healthy interaction that benefits the local community.

Faculty members enter the classroom 10 minutes before the schedule and greet the students as they enter the classroom. The faculty members to create a bond with the students by forming small groups and can know them by name. Face to face interactions helps them to come out with their queries and problems. This positive climate has helped the institution to bring up an affectionate bonding, irrespective of ethnicities, social-economic background or educational preparedness.

Outside the classroom, the students are taught to respect people of all races and economic backgrounds. Faculty serves as navigators to help them resolve issues related to discrimination and oppression.
