“Research is to see what everybody else has seen and to think what nobody else has thought”

- Albert Szent-Gyorgyi.

The Research & Development Cell (R&D Cell) of Sri Venkateswara College of Nursing (SVCON) intent is to nurture research activities in the institute by promoting research in new emerging and challenges areas. It encourages research culture among the faculty and students. The major role is to stimulate contacts with the real world and promote research in young minds by way of participating in Seminars, Workshops and Conferences. The R&D cell aims to reach the Vision & Mission of the Institute in 1st July, 2016.

Objectives:

1. To motivate the faculty and students to pursue research and provide support to publish their research.
2. To encourage the faculty to guide innovative research projects.
3. To organize and promote skill development trainings in emerging areas to enhance the Research and Innovation.

Research Committee:

Vision:

To become a center of excellence.

Mission:

To achieve excellence by promoting research in newly evolving and challenging areas by focused research pursuits through interface with industry and academia.

Objectives:

- i. To explore new horizons of knowledge and ensure its practical implementation through collective efforts and quality research work.
- ii. To provide a creative atmosphere, complemented by adequate facilities and resources in which higher studies and research thrive amongst the faculty and students.
- iii. To establish Centers of Excellence in thrust areas.
- iv. To mentor the academic and industry based research projects.
- v. To publish the research works in renowned journals.
- vi. To develop products and file IPR

Functions of the Cell:

1. The Research and Development Cell may provide deliberate leadership for research in college.
2. In line with the college priorities the R&D Cell may entrusted to encourage the development of interdisciplinary research.
3. The R&D Cell may develop and draft policies related to research
4. R&D Cell shall undertake college level projects of present relevance and importance.
5. This R&D Cell may be commended to organize lectures and workshops on present trends correlated to research methodology and other inter disciplinary topics.

Meeting Outcomes:

1. Discussed and finalized objectives and functions of R&D Cell.
